TERMS

In order for your stay to be as comfortable and enjoyable as possible we have a few guidelines, please read below;

1. Advance booking is essential. All payments must be made in advance as there is no mobile signal at the camp so facilities are limited. Limited Wi-Fi is available.
2. Normal check in time is 14h00 and check out is 10h30.
3. Chobe Forest Camp is in a big 5 area and the camp is only fenced off for Elephants. Please be aware that some game are free roaming the camp, and caution should be practiced at all times. Please be aware when leaving rooms or when moving around. Please do not walk alone at night and always use a good torch when moving between camps, the ablutions or other facilities. Please do not walk outside of the designated pathways.
4. Please be extremely cautious of the risk of fires in this area. Guests should only use the designated braai areas. Please be cautious with cigarette butts or anything else that can start fires.
5. Keep your tents zipped up or the doors closed on luxury tents when not present or when sleeping to avoid monkeys, snakes and insects from gaining access.
6. The lodge is solar powered, please use water and power sparingly. Due to water conservation, towels and linen are changed only every third day unless specifically requested otherwise. Please avoid using equipment or accessories that draw high power like hair driers and please remember we are running on septic tanks so no foreign objects should be flushed.
7. Please keep mobile phones on silent at the lodge and especially at the hide.
